

Popular brands choose MMG Centers Kutno

Galeria Kutno now tempts shoppers with its extended fashion and accessory range. Lease agreements have been signed by two leading brands – Yes and Swiss. The respective stores are to take up 40 sqm and 25.5 sqm and will be in the central part of the shopping aisle. Luxury fashionable jewelry and stylish watches will enrich the range of goods in Master Management Group’s successful mall in Kutno.

“In response to the needs of our shoppers, we have finalized lease contracts with Yes and Swiss. Jewelry and accessories are an excellent addition to our fashion range, which forms a key category for shoppers in our Kutno center. We are planning to steadily widen the range of brands that are available here and soon we will be announcing further leases,” says Wioleta Sobieraj, the Leasing Manager at Master Management Group.

“We decided to open a store in MMG Centers Kutno, because we can see how rapidly Kutno is developing. It is a town that, just like us, combines tradition with innovation. We are continually looking to implement modern solutions which range from designing our jewelry to choosing new locations and fitting out our stores. Galeria MMG Centers Kutno is ideally suited to our expectations,” says Paweł Korobacz, the Retail Expansion and Organization director at Yes.

Yes is a Polish family company with a tradition that goes back 30 years. It now owns 150 stores in malls across Poland. In MMG Centers Kutno it will occupy a store of 40 sqm. In the new store of 25.5 sqm, shoppers will find both traditional Swiss watches and other renowned fashion brands as well as smart-watches, timepieces to wear every day and those for special occasions. The Yes and Swiss stores are in the central section of the shopping aisle leading off the main entrance. With its exceptional mix of new tenants, MMG Centers Kutno will meet the demands of even the most demanding of shoppers.
